Youth Development Strategy

The efforts of youth professionals, parents, guardians, volunteers, concerned citizens, schools and local agencies come together to provide opportunities for our children to live full, satisfying and productive lives. It is important that all programs and activities promote these efforts to their full potential.

The youth development strategy is designed to build self-esteem and allow our children to grow into responsible and caring adults by using four basic principles. These four principles are described as senses:

- **A sense of competence**
  Young people feel proud and confident when they acquire new skills and know they can do something and do it well.

- **A sense of usefulness**
  Young people know the satisfaction of doing something of value for others.

- **A sense of power and influence**
  Young people know their opinions are heard and valued, giving them a sense of power and influence.

- **A sense of belonging**
  Young people know they are welcome, feel they fit in and are accepted.

Discipline and Conduct

*(see Rights & Responsibilities, pg. 5)*

If members conduct themselves in a disorderly fashion and disregard the rights and responsibilities set forth, they will be disciplined accordingly. Parents or guardians of the member will be notified immediately.

Referrals to outside organizations for assistance may be required. Appropriate disciplinary action will take place for each offense, which may include temporary suspension from the Club.

**Safe Haven:** *Weapons and/or other items which may cause fellow members and/or others harm are not permitted at any time. Everyone is expected to report any weapon or misconduct to a professional staff immediately. We reserve the right to check any bags or other items at any time if we suspect a danger to our members.*

**Health & Emergency Procedures**

It is important that parents and guardians cooperate with the health and emergency procedures. Our regulations are designed to protect the well-being of our members.

If your child becomes ill at the Club, parents or guardians will be notified. Do not bring your child to the Club if they are ill before leaving home. This is especially important if their illness is infectious or contagious. Members who come to the Club sick WILL be sent home.
