**Blue Card:** You MUST use your blue card when dropping off and picking up. Every parent will receive a blue card with his/her name on it. This is for the safety of your children knowing who can and cannot pick up. Do not drop your child off at the door in the morning. They must be brought in and checked in by you. Notify Kidstop of any substitute pick ups prior to them arriving at the site.

## Sunscreen:

Everyone MUST donate one bottle of sunscreen for the summer per member. SPF 50 or higher. Students will not use individual sunscreen, unless there is a doctors note stating they have an allergy. We will assure they have sunscreen for the entire summer if you provide one bottle. Due to certification requirements sunscreen cannot be handled by the children and must be kept by the staff.
